

## Newnham College Map – drop off and unloading areas

### General information for unloading:

- There is very limited parking on site for unloading.
- When you arrive you must go to the Porters' Lodge to sign in and to have your University card programmed to allow you access to your room and the College street doors and gates.
- Then proceed to the highlighted "unloading" area for the hall where you are accommodated.
- Some of these unloading areas are on the street in parking bays (**between 9am and 5pm charges apply**).
- In the College car parks (Peile & Clough) you will have around 20 minutes unloading time and then will need to move your car off site.
- If you have any queries please contact the Porters' Lodge staffed 24/7. 01223 335 700.

Unloading area for Peile in Peile Car Park
