The website is mobile friendly, so you can log onto the website through a PC, mobile phone or tablet.

My Accounts

Under the My Accounts tab on the website, you will see a separate tab showing you the current balance for each of the

- Buttery account
- Café account

In addition you will be able to select your transaction history for each of these accounts for a specified period.

You can also make an online payment (using a debit or credit card) to top up or make a deposit into your Café account.

Note: You can’t make a payment into your Buttery account using this online payment method.

For most students, if you spend more than your chosen BPMP in a given period, you will be charged for the extra amount on your next term’s bill.

The only exception to this is postgraduates living in College accommodation (who have selected Options 2 – 5 of the KFC/BPMP) who may be entitled to roll over a negative balance.
Buttery

The Buttery is open 6 days a week (Monday to Saturday).

For those students living in College accommodation you will have selected one of the following five annual options.

If you are an undergraduate living in College accommodation and you did not reply to the request for your selection, Option 3 will have been picked on your behalf.

If you are a postgraduate living in College accommodation and you did not reply to the request for your selection, Option 2 will have been picked on your behalf.

Transaction History (on My Accounts section on the website)

For those of you who have bought items in the Buttery (up to and including 30 September 2022) you will see in your transaction history a line called “Reset balance to nil” dated 30 September 2022, which has cleared the balance on your account to nil as at midnight of 30 September 2022.

For those students who purchased items in the Buttery between 1 July 2022 and 30 September 2022 you will see a charge for these purchases on your Michaelmas bill.

Buttery Pre-Paid Meal Plan (BPMP) Load

For those students that selected Options 2 – 5, you will see in your transaction history a line called “BPMP Load” dated 1 October 2022, which is the loading into your account the appropriate BPMP for Michaelmas Term.

For example, for those students that selected Option 2, you will see that £86 has been credited into your Buttery account.
BPMP periods

The annual BPMP is being split into four periods.

For undergraduates

The BPMP credit will cover a nine month period (running from 1 October to 30 June).

The Buttery Pre-paid Meal Plan (BPMP) is an amount that you commit to spending in the Buttery each period.

If you spend less than your chosen BPMP in a given period you lose the unspent credit.

If you spend more than your chosen BPMP in a given period, you will be charged for the extra amount on your next term’s bill.

For postgraduates

The BPMP credit will cover a twelve month period (running from 1 October to 30 September).

If you are unsure if you have adequate credit on your Café Account, you may ask the till operator to check and tell you what the balance on your Café Account is before you commence making any purchases.
