No candidate may be proposed or seconded by another candidate.

10. If the number of candidates in an election does not exceed the number of Junior Members to be elected at that election, the candidate, or candidates, shall be declared elected and that election shall not take place.
11. Not later than the fourth day before voting day the Returning Officer concerned shall post on the MCR notice board a list of candidates in election 1(a) or on the JCR notice board a list of candidates in elections 1(b).
12. Election addresses and expenses: Each candidate may issue an election address, not exceeding 400 words. It must be delivered to the Returning Officer concerned not later than five days before voting day, and the Returning Officer must then post it on the relevant notice board as specified in Section 11, not later than the fourth day before voting day.

No member of the College may publish or circulate any election address, notice or advertisement, except in accordance with this Section unless authorised to do so by the MCR Committee in the case of election (A) or of the JCR Committee in the case of elections (B).

13.
 - (a) If written complaint is made to the Returning Officer concerned alleging a contravention of Section 12 it shall be considered by a Committee composed of that Returning Officer (who shall act as Chairman) and two members of the MCR Committee in the case of election (A) or of the JCR Committee in the case of elections (B), except that the complainant, the person complained against and the candidate in the election shall not act as members of the Committee. The Committee's decision shall be final.
 - (b) A person found to have contravened Section 12 shall be disqualified from becoming or being a candidate in the election. The election of a candidate found to have contravened Section 12 shall be declared void.
14. Voting: Voting shall be by secret ballot and the method of recording votes shall be such that the voters shall not be identifiable from the voting paper. Any person who will be absent during the voting and who wishes to register a vote shall submit it in writing to the Returning Officer by 08.30 on voting day. The Returning Officer or a teller appointed by her shall be present wherever voting is taking place. No candidate in the elections nor any junior member who has proposed or seconded a candidate may be appointed a teller.

15. Quorum: The total number of votes cast in each election shall first be ascertained and if this number is less than 30% of the total number of graduate junior members entered on the voting register in respect of elections (A) or less than the Returning Officer shall declare that election (B) to be a nullity and shall not proceed to count the votes in respect of it. A further vote shall be held and the outcome shall be binding whether or not the 30% of votes are cast.
16. Counting the votes: The votes in each election shall be counted in accordance with the [University Single Transferable Vote Regulations](#) prescribed in the University of Cambridge Ordinances for the time being in force.

The Returning Officer (or a teller appointed by her in accordance with Section 14) shall be present throughout the counting of the votes.

17. Results of elections: The Returning Officer shall post the election results in the relevant notice board as specified in Section 11 within 48 hours of the close of polling.
18. In publishing the result of the election the Returning Officer shall include a notification of any transfer of votes made under these University Single Transferable Vote Regulations and of the total number of votes credited to each candidate after any such transfer.
19. Resignations: A Junior Member of the Council other than the *ex officio* member may resign her membership by sending her resignation in writing to the Chairman of the Council and to either the President of the MCR or the President of the JCR as appropriate. The Chairman shall take the steps required under this Ordinance to fill the vacancy resulting from such a resignation.
20. Casual vacancies and bye-elections: If the election of a junior member is declared void or if a junior member other than the *ex officio* member resigns her membership of the Council for any reason or if the seat of a junior member falls vacant for any other reason, an election to fill the casual vacancy thus occasioned shall be held as soon as may be convenient in accordance with such of the requirements of this Ordinance as are applicable to a bye-election, provided always that all steps required to be taken for such an election shall be taken during the same Full Term, or, if the Returning Officer decides this to be impracticable, during

the first ten days of the following Full Term. Any person elected under a bye-election shall hold office only until the next due date for an election under (A) or (B) as specified in Section 5.

II. Mandation

Junior members of any College body shall speak according to their own judgement while bearing in mind the interests of the College, the JCR and the Newnham College MCR. If instructed by the Open Meeting or the JCR, or, in the case of the graduate student, the MCR, to put forward a certain view, they shall put forward that view.

If any junior member of a College body is absent from three successive meetings of which due notice has been given, her seat shall become vacant at the end of the third of such meetings, unless at that or at any earlier meeting the cause of her absence shall have been declared sufficient by the body of which she is a member.

III. Procedure at Meetings

1. Except with the permission of the Chairman, a junior member unable to attend a meeting of the Council may not send a substitute.
2. Reserved Business shall be that as defined in Statute I.7. In addition the following shall apply
 - (a) Statute I.7 (d) shall cover
 - (i) any body as relevant, i.e. Standing Committees of the Governing Body or the Council, or any working party, group, committee or sub-Committee appointed;
 - (ii) the making of any grants, loans, prizes or other awards to individuals;
 - (iii) any matter affecting the personal position of any individual elected or appointed by the College
 - (b) The Chairman's discretion to declare business reserved shall be subject to explanation in terms of the rubric defining reserved business.
 - (c) There shall be a separate agenda for reserved business, and the agenda, but not papers, shall be sent to the junior members of the Governing Body. The junior members on that body may ask the Chairman to consider the release of any items from the reserved category.
3. Confidentiality

- (a) The following shall apply to the treatment of the agenda and papers for unreserved business by the Newnham College JCR Committee, the Newnham College MCR and Open Meetings of both bodies:
 - (i) if no request for an unusual degree of confidentiality has been made, the agenda for unreserved business of College bodies may be discussed in advance of the meeting which will consider it, but supporting papers shall be treated as confidential unless the Chairman of the appropriate body directs otherwise; if the papers are confidential they shall not be shown to, nor shall their contents be disclosed to, anyone who is not a member of the body in question;
 - (ii) if no special request for confidentiality has been made, decisions on unreserved business of College bodies may be discussed within the College and may be communicated to Open Meetings of the JCR or of the MCR and published in the JCR Newsletter after confirmation of the Minutes of the relevant meetings. Details of voting and the personal opinions of individuals may not be disclosed. The business of College bodies may not be discussed outside the College and may not be released to the Press except by those authorised to do so;
 - (iii) if any member feels that any particular item or items in the Minutes of the meeting need to be discussed as a matter of urgency, she may ask for the Minutes dealing with these items to be confirmed without waiting for the next meeting.
- (b) The agenda for Reserved Business shall in all cases be treated as confidential.

ORDINANCE III B: Election of Bye-Fellows: Duration of Tenure

1. The categories of women eligible for election into Bye-Fellowships under Statute III.2 (g) shall be as follows, provided that no woman shall be eligible who is a Fellow or a Bye-Fellow of another Cambridge College:
 - (a) University officers with teaching duties, or women engaged in research or in teaching at undergraduate or postgraduate level in Cambridge or its vicinity.
 - (b) Former Fellows of the College, resident in or near Cambridge.
 - (c) Women to whom the Council has assigned some specified College duties, which shall normally be of a primarily academic nature, the Council deciding in each case whether these duties qualify the person to whom they are assigned for election.

2. It shall be open to any member of the Governing Body to propose a woman for election into a Bye-Fellowship.
3. The maximum number of Bye-Fellows at any one time shall be that determined by the Governing Body under Governing Body Ordinance III 16.
4. Bye-Fellows shall be elected by the Council for a period of three years or for the period of the holder's eligibility for a Bye-Fellowship, whichever is the shorter.
5. A Bye-Fellow may be re-elected for further periods not exceeding three years but shall be asked before the end of each period whether she wishes for re-election.
6. The election and re-election of Bye-Fellows shall be governed by the following provisions:
 - (a) election and re-election shall be by ballot;
 - (b) no elector shall give more than one vote to a candidate for election;
 - (c) no woman shall be elected a Bye-Fellow unless she receives the votes specified in Statute III.2 (g);
 - (d) no Bye-Fellow shall be re-elected unless she receives the votes of two-thirds of the members of the Council present and voting, provided that no Bye-Fellow shall be re-elected who does not receive the votes of a quorum of the Council;
 - (e) the voting papers shall be scrutinised by the Chairman and the Secretary and the result of the vote shall be announced from the Chair.
7. Bye-Fellows shall have no College stipend and shall not be members of the Governing Body.
8. Bye-Fellows shall have their names in the College List and such dining rights as the Council may determine.
9. Two Bye-Fellowships shall be set aside for the election of Visiting Bye-Fellows, for a period of up to one year. Eligibility shall include those in the creative arts or in the world of industry, business, public service or the media. Election procedures and privileges shall be as for Bye-Fellows.

ORDINANCE IIIC: Nomination and Re-election of Fellows in Category D

1. Nomination for election into Fellowships in Category D with specified obligations for teaching for the College shall normally be made by the Council. The nomination for election into other Fellowships in Category D is governed by Governing Body Ordinance III 10.
2. In accordance with Statute III.2 (d) the Council may re-elect any woman holding an Fellowship in Category D who is eligible for re-election under Statute III.3 (b).

The following provisions shall apply:

- (a) re-election shall be by ballot;
- (b) no elector shall give more than one vote to a candidate for re-election;
- (c) such re-election shall require the votes of two-thirds of the members of the Council present and voting, provided that no Fellow in Category D shall be re-elected who does not receive the votes of a quorum of the Council;
- (d) the voting papers shall be scrutinised by the Chairman and the Secretary, and the result of the vote shall be announced from the Chair.

ORDINANCE IV: Procedure in Case of Serious Disciplinary Offence: the Student Disciplinary Panel² and Discipline Committee

A. The Student Disciplinary Panel

1. There shall be a Student Disciplinary Panel, from which the Discipline Committee will be drawn, to consider all cases of serious disciplinary offence. Its members, appointed by Council, shall be:

- The Vice-Principal (ex-officio Chairman);
- Three Tutors
- Four Directors of Studies.

Each Tutor shall serve for 3 years, except that, in the case of the first appointment under these regulations, one Tutor shall be elected to serve for 2 years.

² It is envisaged that the Standing Sub-Committee of the Education Committee and the Student Disciplinary Panel will have the same membership.

Each Director of Studies shall serve for 3 years, except that in the first election under these regulations 4 shall be appointed, one Director to serve for 1 year, one for 2 years, one for 3 years and one for 4 years.

In addition, two Officers of CSU will be identified annually to serve on the Student Disciplinary Panel. This role will rotate to other CSU officers on an annual basis.

Members of the Student Disciplinary Panel will receive appropriate training.

In each case referred to the Discipline Committee the Chairman shall convene a group of available members, provided that neither the Senior Tutor, nor the student's own Director of Studies nor her Tutor shall sit to consider the case.

If the Vice Principal has any conflict of interest (e.g. as the student's Director of Studies or Tutor) the Council shall appoint another Officer or Fellow to take the chair, from the members of the Student Disciplinary Panel (as all members will have received training).

Should it prove impossible to convene a meeting with the full number of members, the Discipline Committee may co-opt members to fill any vacancy, provided that a Tutor's place be filled by a Tutor, or a Director of Studies' place by another Director of Studies, where practicable in a related or reasonably comparable subject.

2. Where the Investigating Officer refers any case to the Discipline Committee, the Vice Principal shall act as Chair. A College administrator shall act as Secretary to the Discipline Committee and assign by lot one member to the Discipline Committee from among the members of the Student Disciplinary Panel who are available and have not had prior involvement in the case.

B. The Discipline Committee

1. The Discipline Committee shall consist of:

- a) The Chair (the Vice Principal), who shall be experienced in decision-making relating to misconduct, either through legal training or in relation to student, staff or professional procedures;
- b) A College Tutor or Director of Studies who is a member of the Student Disciplinary Panel;
- c) An Officer of CSU.

2. The Secretary of the Discipline Committee shall organise a meeting of the Discipline Committee and will communicate the membership of the Committee, date, time and location of the meeting to the Discipline Committee members, the Investigating Officer, the Respondent and the Respondent's Senior Tutor.

3. The Respondent shall be provided with a copy of the Investigation Report and evidence, have an opportunity to provide a written response and be invited to attend the Discipline Committee meeting with a supporter and/or representative of their choice. Appropriate support may be available from the Respondent's Tutor or from any appropriate source within the University or the College, or the Students' Unions' Advice Service. Any response or request to call witnesses from the Respondent must be provided at least 10 days before the date of the Discipline Committee meeting. A request to call a Witness will be considered by the Chair, who shall determine whether to permit the Witness to attend or provide evidence in an alternative format as provided for by paragraph C8. Where the Respondent is dissatisfied with the Chair's decision, the Respondent can appeal this decision following the Discipline Committee's decision on the Concern to the Appeal Committee. A Respondent who wishes to admit the alleged misconduct in advance of the Discipline Committee meeting may do so as part of the written response, in which case the meeting may focus only on what, if any, sanction or measure to apply.

4. Respondents should attend the Discipline Committee in person, where possible. However, where this is impractical, for example, where the Respondent is in another country, the Respondent may attend by video link. If the Respondent is unable to attend the Discipline Committee meeting and wishes to do so, it shall be at the Chair's discretion as to whether the Respondent has provided a sufficient reason for absence, in which case the meeting date should be re-arranged. The Discipline Committee meeting may proceed in the Respondent's absence.

5. The Discipline Committee, the Respondent and the Investigator shall receive a copy of the Discipline Committee papers; the Investigation Report and evidence, and any response provided by the Respondent, at least 7 days before the Discipline Committee hearing.

6. During the Discipline Committee meeting, there shall be the opportunity for the Committee members to ask questions of the Investigating Officer and, if in attendance, the Respondent. The Respondent (or the Respondent's representative) and the Investigating Officer will also have the opportunity to ask questions of each other. The Respondent shall have the opportunity to make a final statement.

7. It will not normally be necessary for the Reporting Person(s) and/or Witness(es) to attend the meeting as their evidence will be provided in the Discipline Committee papers. Where the Respondent wishes to challenge the evidence of a Reporting Person or a Witness, the Chair of the Discipline Committee will determine the most appropriate format for this. Appropriate formats may include the Reporting Person or Witness attending the Discipline Committee meeting in person or by video link, or questions being directed through the Chair. Alternatively, the Respondent may be asked to explain the

precise challenges and, where the Chair of the Discipline Committee considers those challenges material to the Discipline Committee's decision, a further written response will be sought from the Reporting Person or Witness. The Discipline Committee may pause the meeting to request further information where the Chair deems it appropriate to do so.

8. Once the Discipline Committee is satisfied that it has received all of the information, all persons except for the members, the Secretary of the Discipline Committee shall withdraw.

9. The Discipline Committee shall consider all the information that has been provided and reach one of the following decisions:

- a) To dismiss the case;
- b) To find that there has been a breach of the Rules of Behaviour.

10. Where the Discipline Committee has found that the Rules of Behaviour have been breached, the Secretary shall inform the Discipline Committee of any previous breaches of the same Rule. The Respondent (and any supporter or representative) and the Investigating Officer will be invited back into the meeting and the Respondent (or the Respondent's representative) will have an opportunity to make a further statement in relation to mitigation regarding the breach of the Rules of Behaviour and any previous breaches of Rules of Behaviour. The Investigating Officer may provide further information including in relation to any Impact Statement and the Committee may ask questions. The Respondent (or the Respondent's representative) shall have the opportunity to make a final statement.

11. The Discipline Committee will then consider whether a sanction or measure should be imposed. Consideration shall be given to the factors allowed for in the Rules of Behaviour. The Discipline Committee shall consider whether a minor sanction or measure, should be imposed. Where a minor sanction or measure is not considered to be appropriate, the Discipline Committee can choose from the following further sanctions and measures:

- a) Restrictions or conditions on the right to use College premises, facilities or services;
- b) Temporary or permanent exclusion from membership of the College;
- c) Any penalty considered by the Discipline Committee to be lighter.

12. In deciding upon the appropriate sanction(s) or measure(s), the Discipline Committee shall consider each sanction or measure in turn and record the reasons for the sanctions or measures imposed. The Principal or Senior Tutor may penalise students. But the penalty of removal from the College for a term or terms or permanently, or in the case of a scholar, deprivation of her scholarship or partial forfeiture of the emoluments thereof, shall be inflicted only by the Council (Statute XVII). In a case where the appeal is against a

decision of the Council under Statute XVII, the Appeal Committee must be chaired by someone who is trained and who is not a College member.

13. The Secretary of the Discipline Committee, within 7 days of the Discipline Committee reaching a decision, shall provide to the Respondent a written document explaining the Discipline Committee's decision, reasons for the decision, any sanction or measure applied and the right of appeal. The notes of the Discipline Committee meeting will be shared with the Respondent within 14 days of the Discipline Committee meeting. The outcome will be shared with others as allowed for in the Rules of Behaviour.

14. Where a Respondent subsequently fails to comply with any sanctions or measures imposed by the Discipline Committee, the Respondent will be subject to any action specified by the Discipline Committee to be imposed in this circumstance; or, where other action has not been specified, further disciplinary action may be taken as provided for by the Rules of Behaviour.

C. The Appeal Committee

1. The Respondent shall have the right to appeal the decision of the Discipline Committee within 14 days of receiving the written decision. A College administrator shall act as Secretary to the Appeal Committee. The Secretary to the Appeal Committee has the authority to extend the appeal deadline, where there is a compelling reason to do so.

2. An appeal can be submitted only on the following grounds, that:

- a) The procedures were not followed properly;
- b) The Discipline Committee reached an unreasonable decision;
- c) The Respondent has new material evidence that the Respondent was unable, for valid reasons, to provide earlier in the process;
- d) There is bias or reasonable perception of bias during the procedure;
- e) The penalty imposed was disproportionate, or not permitted under the procedures.

3. In order to appeal the Discipline Committee's decision, the Respondent will need to complete and submit an Appeal Form to the Secretary of the Appeal Committee, which includes all evidence the Respondent wishes to be considered as part of the appeal. The University will normally aim to make a decision regarding an appeal within 30 days of the Respondent making the appeal.

4. If the appeal has been made on the specified grounds and within the timeframe, as determined by the Secretary of the Appeal Committee, the Secretary shall assign by lot members of the Appeal Committee from among the members of the Student Disciplinary Panel who are available and have not have prior involvement in the case.

5. The Appeal Committee shall consist of:
 - a) A Chair (other than the Vice Principal), who shall be experienced in decision-making relating to misconduct, either through legal training or in relation to student, staff or professional procedures;
 - b) A College Tutor or Director of Studies who serves on the Student Disciplinary Panel and did not serve on the Discipline Committee;
 - c) An Officer of CSU who did not serve on the Discipline Committee.
6. The Secretary of the Appeal Committee shall organise a meeting of the Appeal Committee either physically or virtually and communicate the date, time and location for the meeting to members of the Committee. The Respondent will be informed of the members of the Appeal Committee.
7. The Appeal Committee shall receive the Respondent's Appeal Form and evidence, the Discipline Committee outcome, the notes of the Discipline Committee and the material considered by the Discipline Committee at least 7 days before the Appeal Committee meeting.
8. The Appeal Committee shall normally consider an appeal in private based on the written materials, but has the discretion to request further information; where this happens the Respondent shall be sent a copy of any further information and be given an opportunity to provide a written response.
9. The Appeal Committee shall consider all the information that has been provided and reach one of the following decisions:
 - a) To dismiss the appeal;
 - b) To uphold the appeal.
10. Where the Appeal Committee has upheld an appeal, it can choose to send the matter back for re-consideration by a Discipline Committee, or alternatively it has the power to impose its own decision, including sanctions or measures. Where the Appeal Committee considers a breach of the Rules of Behaviour has taken place, it can impose any sanction or measure provided for in the Rules of Behaviour and paragraph B.10, including more or less significant sanctions or measures than were imposed by the Discipline Committee for the same breach.
11. The Secretary of the Appeal Committee, within 7 days of the Appeal Committee reaching a decision, shall provide to the Respondent a written copy of the Appeal Committee's decision, reasons for the decision, and any substituted decision. This is the final stage of the internal process and therefore the Respondent will be issued with a Completion of Procedures letter.

12. Where the Discipline Committee has imposed a sanction or measure and the Respondent has appealed, the sanction or measure will not normally be implemented while the appeal is being considered. Following the Appeal Committee's decision, any sanctions or measures shall be implemented, even if the Respondent intends to raise a complaint with an external body.

13. Where a Respondent subsequently fails to comply with any sanctions or measures imposed by the Appeal Committee, the Respondent will be subject to any action specified by the Appeal Committee to be imposed in this circumstance; or, where other action has not been specified, further disciplinary action may be taken under the Rules of Behaviour.

Updated and approved by the College Council on 27 November 2020; Ordinance IV amended December 2020

ORDINANCE V: Alteration of Ordinances

In accordance with Statutes V.5 and 12, the Council may make Ordinances, and from time to time alter or revoke these Ordinances. An Ordinance or an alteration of it shall not be in force until it has passed at one meeting of the Council and confirmed at the next Ordinary Meeting or, if this meeting is held in order to consider one item of business only, at the next but one Ordinary Meeting; provided that minor verbal amendments of a proposed Ordinance not affecting its substance may be made at the second of these meetings.

Last Amended by Council June 2012

ORDINANCE VI: RULES FOR THE MANAGEMENT OF CONFLICTS OF INTEREST

1. Material interests

- (a) A material interest is any matter which may influence the judgment of the person possessing it, or may reasonably appear as capable of influencing that person's judgment, so that the judgment may not be, or may not appear to be, exercised wholly and exclusively in the interests of the College.

The test for deciding whether or not an interest is material is an objective one. It also depends on appearances—the test is not simply whether the interested person might be influenced, but whether the possibility of influence might reasonably seem to arise. It should be remembered that an interest may derive from a family member.

It was asked at the meeting of the Colleges' Committee on 28 October 2006 to what extent shareholdings in public companies should be included in the register of interests. A College might reasonably decide to follow the local authority model code of conduct (see SI 2007/1159), which limits attention to shareholdings in excess of £25,000 nominal value or 1% of the total issued share capital.

- (b) But an interest shall not be a material interest unless the person having the interest either knew about it or should reasonably have been aware of it.
- (c) Any position as a company director or charity trustee shall not constitute a material interest unless there is a reasonable possibility that the company or the charity, as the case may be, may be engaged in some business, appeal, or transaction involving the College.

But the directorship of a trading company wholly owned by the College is virtually certain to be a material interest. Any College officer who is a director of a subsidiary company of the College will already know of the special care necessary to manage the conflict that can arise between his or her duty to the College and that to the company, and of the need to be aware at all times in which capacity he or she is acting.

- (d) If the Principal considers that any member of the Council may have a material interest in an item of business, then the Principal may refer the matter to the Council, who shall, in the member's absence but after hearing his or her views, determine the matter. The determination of the Council shall be binding on the member concerned.

The basic principle is that it is for each member of the Council, having conscientious regard to the management of conflict, to judge for him or herself when a material interest arises and to act according to the rules. But this rule provides for an objective external control of the matter by the College.

2. Register of Interests

The Bursar shall maintain a Register of Interests of members of the Council, into which shall be entered such information as may be required by these rules or by Ordinance or as may reasonably be requested by the Bursar.

- (a) The Register of Interests shall include a statement of membership of any Faculty or Department in the University, and the holding of any office or position in the University. It shall also include any other matters as may be specified by the Council by Ordinance.

The information to be entered in the Register of Interests will be the nature of the interest of the member concerned and not the quantum of it. For example, the interest (if such there be) in a shareholding is in the company in which the shares are held and not in their amount. Thus the Register should refer to a shareholding in that company without recording the number or value of the shares held.

- (b) The Bursar shall seek information for entry into the Register of Interests from members of the Council when they become members, and also annually. Members of the Council shall notify the Bursar of changes in their information relevant to the Register of Interests as they occur.
- (c) The Register of Interests shall be available for inspection in the Bursary by any member of the College entitled to attend a meeting of the Governing Body.

3. Declaration of Interests

- (a) Each agenda for a meeting of the Council shall contain an early item “Declaration of Interests”.
- (b) A member of the Council who has a material interest in an item of business before the Council shall declare that fact on each occasion that the business is under consideration. But that shall not be required:
 - (i) for business solely for report which is not discussed by the Council; or
 - (ii) where the interest arises from the holding of an office or position in the College, where the other persons holding such an office or position in the College have a similar interest; or
 - (iii) where the interest arises from membership of a Faculty or Department in the University, or the holding of an office or position in the University, where the other members of the Faculty or Department or the other persons holding such an office or position in the University, as the case may be, have a similar interest.

A member of the Council should not declare any interest that is not a material interest; but the primary judgment of whether or not an interest is or is not material is that of the member and should not normally be questioned.

The principle behind the exemptions in (ii) and (iii) is that such interests may be taken to be well-known and of common occurrence within the College. The member may, however, quite properly decide to declare his or her interest in such a case, and it should then be treated as any other declared interest would be.

- (c) A member of the Council declaring an interest shall withdraw from any part of a meeting at which the business is under consideration, and shall not speak or vote on the matter.
- (d) But if the interest is not a pecuniary interest, then the Council may resolve that the member may remain present, and may further resolve to permit the member to speak or to vote on the matter.

The ordinary rule for material interests is exclusion, but that can be relaxed by the Council in any particular case either wholly or partially (for example, the member may be allowed to remain and speak, but not to vote). However pecuniary interests exclude absolutely.

“Pecuniary interest” is undefined. However, in order to require declaration (and thus exclusion) a pecuniary interest must be (i) a material interest, and (ii) not within one of the exempt categories in Rule 3(b).

- (e) Where a member withdraws from a meeting in accordance with Rule 3(c), that fact shall be recorded in the minutes of the meeting. Any resolution of the Council under Rule 3(d) shall be recorded in the minutes of the meeting at which it is made.

It follows from Rules 3(b) to (d) that all declarations of interests should be minuted. Minuting provides good evidence that the members of the Council have addressed their minds to the importance of avoiding conflict of interest.

Any resolution to permit a member who has declared an interest to remain, or to speak, or to vote, should be minuted. The reasons for such resolution need not be minuted however, and it would be unusual to do so.

The wording of the final sentence of Rule 3(e) allows for a single resolution to permit presence, speaking or voting at all meetings at which an item of business is discussed. However, Rule 3(b) requires the declaration of the interest at each such meeting.

4. Special Decisions

- (a) A special decision of the Council is one in which a majority of the decision-makers have a material interest.

- (b) For this purpose the decision-makers shall be taken to comprise the members of the Council present when the decision is made, except for any member who is not entitled to vote in consequence of these rules or for any other reason.

Rule 4 addresses the problem that arises in consequence of the nature of the College as a self-governing academic community: only the Council can decide on the general control and management of the administration of the College, and yet on occasion they, or the great majority of them, will be conflicted. That may occur, for example, in relation to a decision to approve an across-the-board pay increase in the College, or a general restructuring of academic pay, or an increase in the level of Fellows' book grants from, say, £200 to £250 a year.

The procedure set out in this rule to deal with that situation is based on the judgment in Public Trustee v. Cooper [2001] WTLR 901.

- (c) Before the Council make a special decision they will consider, having taken full regard of all the circumstances of the matter:
 - (i) whether the nature of the conflict of interest is so pervasive throughout the Council that they have no alternative but to surrender their discretion by seeking the direction of the Charity Commission; or

In this case an application for an order should be made in writing under section 26 of the Charities Act 1993
 - (ii) whether, notwithstanding the conflict of interest, they are nevertheless able fairly and reasonably to take the decision; and in that case,
 - (iii) whether, before making their decision, they should seek the advice of the Charity Commission in the matter.

In this case an application for advice should be made in writing under section 29 of the Charities Act 1993.

Each case must be judged on its facts, but in most cases it is unlikely that the Council will conclude that the advice of the Charity Commission should be sought. The examples referred to in the comment on Rule 4(b) illustrate the point: an across-the-board pay increase following a national settlement or some other negotiated or otherwise rationally determined rate cannot merit an application for advice; neither can a general restructuring of academic pay, always supposing that the College has acted in a demonstrably principled way, considering comparators and basing its decision on a reasoned report; an increase in the level of Senior Members' book grant will be of a dimension to lie comfortably within the proper discretion of the charity trustees, despite their conflict. By contrast, suppose that the College had sold part of its ancient estate for a very large amount and wished to increase the pay of members of the Council or of the Governing Body by sums ranging from £3,000 to £10,000 for each of the next three years. Any Council acting reasonably would conclude that an application to the Charity Commission under either section 26 or 29 represented the only proper way forward.

5. Committees and other bodies

- (a) The above rules shall apply with necessary modifications to committees, working parties and other bodies within the College, as they apply to the Council.
- (b) But Rules 1(d), 2 and 4 shall not apply, and any other rule may be disapplied either generally or for specified items of business by decision of the Council.

The extension of the provisions to committees, etc. represents good practice. But members of committees will not, by such membership alone, be charity trustees of the College.
